

Choro Camp at Smith College

A collection of all Tier 1 and 2 songs from 2019-2025

In Portugese, English and phonetics so a non-Portugese speaker can kinda sorta pronounce the name of a tune they might be calling in a roda.

I put this workbook together from all the repertoire of Choro Camp sine 2019. I did it so I could quickly find a tune called by someone at a roda. As a guitarist it was helpful to know the type of tune being played so I provided the type when available. I don't speak Portuguese or hear it very well (and I have tried but at my age I can barely remember what I had for breakfast much less a lot of new words in a new language) so I provided English phonetic pronunciation for each song so I can recognize a tune when it is called and , maybe, call a tune and be recognized).

Disclaimer – I apologize for any spelling errors or pronunciation errors. I tried to be careful but I'm sure mistakes have been made.....Tom Stewart
